MOULTRIE RESIDENTIAL HISTORIC DISTRICT
DATE: December 30, 2014

The City of Moultrie has been awarded a Community Development Block Grant (CDBG) for the purpose of undertaking housing redevelopment activities in the Northwest Moultrie Residential Historic District. As required by Section 106 of the National Historic Preservation Act, the City was required to consult with the Georgia State Historic Preservation Officer concerning the effects of the proposed project on historic properties. The attached Memorandum of Agreement (MOA) was subsequently negotiated by the two parties.

Your attention is directed to Stipulation III(A)(B) of the MOA. This stipulation requires preparation of a survey of the Northwest Moultrie Residential Historic District by an architectural historian. A map of the project area is included with this proposal request. Also included are representative photographs of the neighborhood, which were used in the CDBG application.

Your firm is invited to submit a proposal for conducting this work. The selected firm is expected to complete the work within 60 days of a Notice to Proceed issued by the City of Moultrie.
