

# Animal Control

Non-profit animal welfare organization seeks a full time position:

## Animal Control Officer

**Must be at least 21 years old. High school graduation or equivalent required. Must have valid driver's license.**

Must be able to capture and impound dangerous or stray animals, investigate animal cruelty cases, enforce laws; city, county and state, write incident reports, and provide humane care to animals under their supervision. Job requires “on call” duties for emergency situations on some nights, weekends, and holidays. Must help maintain a clean, healthy, inviting facility that meets all regulatory requirements while caring for up to 4,000 animals per year. Must be hard-working, conscientious, professional, respectable, detail-oriented, computer savvy, and possess excellent customer service skills. Successful candidates must share our commitment to raise the live release rate and promote positive relations with coworkers, volunteers, and the community all while taking excellent and compassionate care of the animals in our custody.

Drug-free workplace committed to Equal Opportunity Employment.
