Re: Police Department Lobby Closure

Citizens of Moultrie,

The Moultrie Police Department lobby is temporarily closed due to the significant increase in COVID-19 cases in Colquitt County. We will still be providing services that require you to enter our facility under the following guidelines:

If you need a beer card, criminal history check, or fingerprints, please call 229-985-3131 to schedule an appointment. Once you have an appointment, report to the police department at your appointment time. Upon arrival, a records clerk will ask if you have symptoms of COVID-19 and check your temperature. If you have a temperature or are experiencing symptoms of COVID-19, you will not be allowed to enter the police department.

If you need a copy of an incident or accident report, please call the police department at 229-985-3131. A records clerk can fax or email you a copy of your report.

These guidelines are in place to protect you, the citizen, and the employees of the Moultrie Police Department. We are sorry for any inconvenience this may cause, but we will continue to strive to provide the best customer service possible.

Sincerely,

Chief of Police Sean W. Ladson
