REQUIRED BY LAW

RRP Lead-Based Paint Certification is Federal EPA & GA EPD Law

All Contractors working on residential housing built pre-1978 must be lead certified

Fines for doing work on pre-1978 housing can be as much as \$37,500 per violation

If you are interested in becoming a Qualified rehabilitation contractor under the CHIP & OHAMP housing grant programs, all interested contractors must obtain Lead Renovation, Repair and Painting (RRP) Lead Based-Paint Certification.

The RRP certification is required to participate as qualified contractor in the CHIP Housing Rehabilitation Grant program which is funded by HUD and administered by Georgia Department of Community Affairs and the schedule training will be held on Friday, August 14, 2026. Details below.
