Position: Street Crew Leader

Department: Public Works – Streets

Starting Salary: \$20.00/hour

General Nature of Work

This position works under the direct supervision of the Street Supervisor and is responsible for leading and participating in street construction and maintenance projects. The role involves operating a variety of light to heavy construction equipment and performing physically demanding outdoor labor.

Key responsibilities include:

- Operating equipment such as tractors, backhoes, bulldozers, excavators, motor graders, front-end loaders, 10-wheel dump trucks, asphalt patchers, and sewer jetters
- Assisting with the construction and maintenance of roads, drainage systems, sidewalks, and other city infrastructure
- Leading and coordinating crew activities on assigned projects
- Responding to after-hours service calls as part of an on-call rotation
- Performing other related duties as required

Training and Experience

- High school diploma or equivalent required
- Considerable experience in Public Works or related field, including demonstrated crew leadership experience
- Strong knowledge of construction and maintenance methods, materials, and equipment used in public infrastructure work
- Equivalent combinations of education, training, and experience may be considered

Requirements

- Valid Class “A” Commercial Driver’s License (CDL) required
- Ability to perform strenuous physical labor in outdoor conditions
- Ability to operate a wide range of construction equipment safely and effectively
